

SYEDA NYSHA ALVIRA

Bachelor in Engineering — 2ND YEAR

Ballari, Karnataka,

Phone no:+91 7338191274

E-mail:nysha.alvira20@gmail.com — Github:<https://github.com/nyshaalvira20-dotcom>

Career Objective

Motivated and enthusiastic third-semester engineering student with a strong interest in software development and emerging technologies. Currently building a strong foundation in programming, problem solving, and project development. Seeking opportunities to apply technical knowledge through internships, academic projects, and collaborative learning while continuously developing professional and technical skills.

Education

Bachelor of Technology (B.Tech)

2025 – 2029

Ballari Institute of Technology and Managment

Branch: Computer Science and Engineering(Data Science)

Percentage/CGPA:8.35

Pre-University / Class XII

2025

College Name:Sri Chaitanya Girls PU College

Percentage/CGPA: 81.16%

Class X

2023

School Name:St.Philomena's High School

Percentage/CGPA: 94.04%

Technical Skills

Programming C, Java, Python

Web Technologies HTML, CSS, JavaScript

Database MySQL

Tools Git, GitHub, VS Code

Core Concepts Object-Oriented Programming, Data Structures, Problem Solving

Academic Projects

Smart Bus Tracking System

- Designed a smart transportation system concept for monitoring bus locations and improving passenger convenience.
- Explored technology-based solutions for real-time transportation tracking and information management.
- Applied programming and problem-solving concepts during project development.

Smart Traffic Control System

- Developed a project concept focused on improving traffic management using a smart control approach.
- Designed a system aimed at supporting efficient traffic flow and reducing congestion.
- Worked on system logic, planning, and implementation as part of an academic project.

Certifications

- Certification in Programming / Python / Java – *BITM college*
- Certification in Data Structures / Web Development – *BITM college*

Achievements & Activities

- Participated in technical events, AI tools, or coding activities.
- Participated in academic project presentations and team activities.
- Actively developing programming and problem-solving skills.

Soft Skills

- Problem Solving
- Communication
- Teamwork and Collaboration
- Time Management
- Adaptability
- Continuous Learning
